EXPERIENCE

Dailies Workflow Producer - Picture Shop

2017-Present

Oversee the organization and creation of vast quantities of digital assets, preparing them for use by others in the team. Consult with clients on workflow decisions. Create and maintain databases. Troubleshoot, solve, and document technical issues under tight time constraints and pressure. Design workflows. Lead R&D. Locate and establish new remote offices. Communicate with the rest of the post production team and executives to ensure flawless outcomes. Act as technical support for in-house team and clients. Supervise operators and colorists as well as train new additions to the team.

Themed Entertainment Blogger

2015-Present

Writes essays and criticism analyzing various aspects of the themed entertainment industry.

Freelance Assistant Editor & Dailies Tech / Colorist

2011-2017

Freelance until 2017, then staff at Picture Shop. Organize vast quantities of digital assets, preparing them for use by others in the team. Act as the primary colorist, setting the overall look and mood of images.
